Melissa and I spoke about some edits. Once edited, I am fine with these going to OCFO once both of you have looked them over.

Serena/Deborah,

Alexis went through them with me and I made some edits. Please let me know if you have any comments. The four fact sheets for your review are as follows:

- US Navy's Red Hill Fuel (LND).
- Fruitland Magnesium Fire, Maywood, CA (SFD).
- Eureka Smelter Site, Eureka, NV (SFD).
- Anaconda Cooper Mine Site (SFD).

The last one need follow up and is not attached yet:

- Navajo Abandoned Uranium Mines (SFD). Following up with Will Duncan on data in template, awaiting response before providing.

Let me know if you have any questions. Thanks.
